Dec 12 CEF Volunteer Christmas Party

*Have* you seen the sparkling lights? The full size Santa and reindeer display? The numerous gift ideas? This is how the world prepares to celebrate the birth of our Savior, even though they don't know Him yet. But the children in Good News Clubs are hearing the real reason we celebrate Christmas! They are learning the Christmas story from God's Holy Word, from Luke 2:1-20 and Mark 2:1-12.

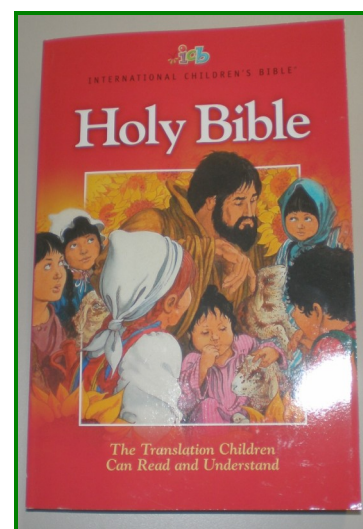

Christmas is a wonderful time of year to share the true meaning of Christmas with those who haven't met Jesus yet. The children need to know. The families need to know. The folks in Assisted Living and Nursing Homes need to know. This would be a wonderful opportunity to take the kids to the Nursing Home and tell the real Christmas story to young and old. Have a party at your church to meet new kids & families!

We have a number of stories, some on flashcards, and some on flannelgraph. We have Christmas songs and games, too. And **training! Sat. afternoon, Dec. 5th from 1:30 – 2:30 p.m.** you can come and see a lesson demonstrated, and pick up a few resources, like songs, games, and prizes/gifts. What better time to evangelize than right now? What better time to share God's wonderful Christmas gift to us? What better way to say "Happy Birthday, Jesus!" Call 242-4002 to reserve your place.

**Luke 2:9-12** An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. But the angel said to them, "Do not be afraid. I bring you good news of great joy that will be for all the people. Today in the town of David a Savior has been born to you; he is Christ the Lord. This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger."

## T-SHIRTS FOR GOOD NEWS CLUBBERS!

Three years ago we heard about the T-shirts that some Good News Clubs gave out to their kids. Two years ago we ordered T-shirts for our kids, and they are wearing them to school on Club day. They love their T-shirts, and are a testimony to the other kids in their classes and at lunch. Then they have the opportunity to invite their friends to Good News Club where they can get a T-shirt, too, on their third day of attendance. **Perhaps you would like to help share in the expense for one T-shirt, or one club's T-shirts. Just \$10 will provide T-shirts for 3 children.**

## TEACHERS CORNER

**Sharon Alden**

Have you had the opportunity and privilege to tell a child the Gospel message and listen to him pray in response to the Holy Spirit to receive Christ? And, then, have you watched a child grow in his faith as he hears teaching from God's Word? You could do that!

Helen Zwickey and I are leading a Good News Club at Glendale Elementary, where we have 12 children, some new to us this year, and some returning from the last 1 to 2 years. We have seen 3 children put their faith in Christ this fall, and we are watching others grow. One second grade girl who was saved as a kindergartener in GNC 2 years ago, is reading her Bible every day, and we can see her growing in her faith. That's exciting! GNC is the most rewarding ministry that God has called me to do.

Maybe God would call you to reach children for Christ in GNC. Ask Him. Many children in Madison are waiting to hear the Gospel message.

*These thoughtful memorial gifts will help us take the Good News of God's love and salvation in Jesus Christ to the children.*
